PARTNERING WORKSHOP

SWINGS, WHIPS, AND GRIPS.

In this workshop we will be getting up close and personal with one another; testing the limits of gravity and fear as we establish trust in a stranger to access all that is possible when two bodies become one. Swings, whips, and lifts. How exciting, right?

We will emphasize the importance of grips in relation to carrying and distributing weight as our base foundation for discovering and achieving improbable things.

Kiley Dolaway is a Philadelphia-born contemporary dancer and teacher, known for her work with VIM VIGOR, Tanz Kassel and Yoann Bourgeois. She shares her dynamic floorwork and partnering practice internationally.

Lino Eckenstein is a Vienna-born contemporary dancer. Graduated from the Fontys Academy of the Arts Tilburg and danced for TANZ_Kassel (Staatstheater Kassel). Lino is the founder of CRUELBEHAVIOR Projects, an emerging company.
